

## About the Discount Plan

This in-office discount plan is an annual reduced-fee savings plan for families and individuals that will allow members to receive quality dental care services at greatly reduced prices.

Unlike conventional insurance plans, this plan has no deductibles, no annual maximums, and no waiting periods. Benefits begin immediately upon plan registration.

This discount plan is designed as an alternative to dental insurance for our patients who do not have dental insurance or do not wish to engage in an insurance plan.

Compare the cost of membership in our plan with the premiums you may be paying for traditional dental insurance. You may be pleasantly surprised with the savings you would enjoy at our office.
